SPEAKING TOPICS

LEADERSHIP GOLD

Twenty-six simple leadership lessons to help you maximize your talents, leverage your relationships, grow your leadership and magnify your success.

HOW TO BE A REAL SUCCESS

Accelerate your success by building on your strengths, minimizing your weaknesses, and learning to focus on the most important things

BE A PERSON OF INFLUENCE

Interact more positively with others and improve your relationships with others at home and at work.

COMMUNICATING TO CONNECT

Five practices you can use to move from communication to connection.

BUILDING RESILIENT TEAMS

Learn how to cultivate and develop more resilient teams, increase your company's ability to anticipate and react to change and drive higher leader engagement and employee retention.

BIO

Sondra is a strategy-oriented, global leader with a background in finance, business development and law. She's had a successful career as an attorney at an Am Law 100 firm, as in-house counsel for a Fortune 50 company and as a business executive.

Sondra has been recognized twice by the San Diego Daily Transcript as a Top Young Attorney, and was a finalist for San Diego Metro Magazine's Women Who Rock award and the Arizona Corporate Counsel Award. She is the author of her own story and has forged a path that is uniquely her own. Her secret sauce... a lot of grit and a growth mindset.

Sondra is passionate about helping others claim their leadership, find their voice, lead confidently. Drawing from her diverse experiences, Sondra helps leaders create actionable strategies to find their voice, communicate confidently, elevate their leadership and increase employee engagement.

Sondra is a dynamic speaker who engages her audience with thought-provoking examples and provides practical techniques and actionable strategies that participants can use to get measurable results.
